

# 48RE Conversion

2003-2007 Dodge Diesel transmissions

**IN STOCK**  
**ALWAYS AVAILABLE**

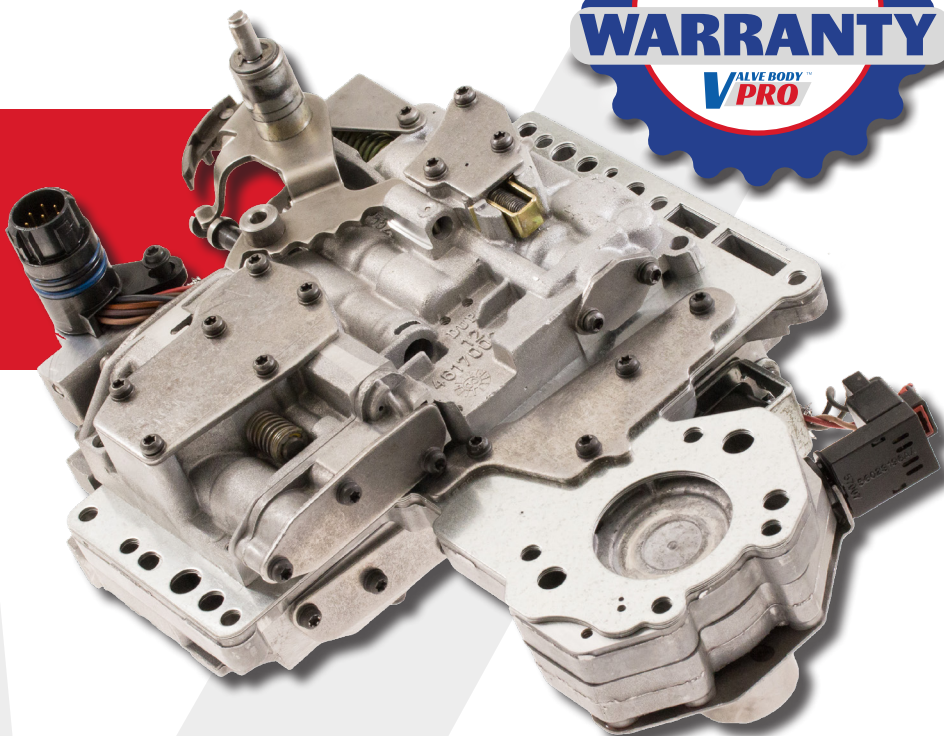

## FULL-FEATURED 48RE

Available exclusively from Valve Body Pro, a full-featured 48RE conversion valve body made possible through the use of our patent pending ProProven internally modified technology.

- Mirrors OEM 48RE TV and mainline pressure curves
- Retains factory 48RE computer control engine braking and TCC operation
- Withstands the high torque demands of diesel applications
- Installation-ready out of the box
- 100% Pro-Proven verified, calibrated, tested and guaranteed with a limited lifetime warranty

## THE PROProven™ DIFFERENCE

At Valve Body Pro, all rebuilding, testing and calibration is performed in-house using industry leading, state-of-the-art equipment and our own proprietary HTC-K software.
